STUDENT LIFE

Caucasus International University has various student clubs, assists implementation of student initiatives and promotes organization of events, ensuring a diverse and interesting student life.

Sports, culture and educational clubs are actively functioning at CIU, which participate in various events held within and outside of the university. The CIU Futsal Team, competing in the National League, and the "Kavkasia" Basketball Team, playing in the Georgian Basketball Super League, are prime examples of excellence and efficiency at the highest levels of competition.

CIU Student Self-Government and the Peer Mentors play a significant role in the active management of student life.

CAUCASUS INTERNATIONAL UNIVERSITY (CIU)

is a Higher Education Institution based on national values and focused on constant changes. University history dates back to 1995. It is a higher education institution equipped with modern infrastructure and technology and oriented towards integration with international educational field and constant renewal.

In 2024 Caucasus International University has been granted its third consecutive authorization! The university student body is defined with 7400, including 3000 students for the Georgian and English-language medical programs.

UNIVERSITY VISION:

Caucasus International University is an educational-scientific institution that supports socio-economic progress and develops values of Georgian and world culture based on modern knowledge.

UNIVERSITY MISSION:

Caucasus International University fosters a modern academic and research environment by introducing innovative methods, promoting internationalization, and offering a diverse university life. The university aims to nurture generations with democratic values who are competitive in both local and international labor markets and capable of addressing the challenges of sustainable development.

WE SHAPE THE FUTURE TOGETHER!

WHY CIU?

CIU makes great efforts to gain Global reputation and establish a respectable position in Global rankings. CIU is rated for **Excellence** by **QS Stars** – 5 stars Employability, 5 stars Teaching, 4 stars Global Engagement.

CIU is listed in **QS World University Rankings: Europe 2026**.

UN SDG engagement.

CIU prepares students for successful global careers through strong academic training and practical experience. Students benefit from clinical practice pathways in modern healthcare settings, internship opportunities across multiple sectors, Erasmus+ mobility programs, growing industry partnerships, and dedicated Career Support Services that help graduates transition confidently into employment or further study.
